Our Constitution, Your Citizenship

Our Constitution, Your Citizenship is a concise 56-page guide to study United States Citizenship and the new state-mandated curriculum efficiently. This enhanced tool provides insight into the subjects covered in the naturalization test given by the United States Citizenship and Immigration Services (USCIS).

Give your students much more than the answers, give them a solid foundation in our founding principles and framework for government. This guide will help prepare students for the citizenship test and ensure they have a solid understanding of the essential concepts in American democracy. The content includes units on American history, American government, and a civics assortment of American holidays, symbols, and geography.

This book shares some of the concepts related to the federal constitution from our other publication, "Our Federal and State Constitutions." This worktext is designed for students of all abilities and may be used in a wide range of classrooms (from middle schools to high schools to adult education).

Pricing: \$5.25 each for orders of 20 or more student copies, \$7.50 each for orders of 1-19 copies. Shipping is \$0.35 per worktext with a \$6.00 minimum.
