The U.S. Constitution

A Pocket Guide for Students of All Ages

The U.S. Constitution - A Pocket Guide for Students of All Ages is an easy-to-use reference tool for class use. This compact, 64-page, 4" x 6" guide contains the complete text of two core documents of American democracy: the U.S. Constitution and the Declaration of Independence. It will allow students, supporters, or interested citizens to navigate the original transcripts easily, review the side-by-side interpretation (color-coded) and analysis of each principle, and quickly reference the vocabulary section.
